# GREAT REASONS TO BUY KEGS

**CHOICE!** light, dark, amber, bitter or malty, if we have it on tap we should be able to fill a keg.

**FLEXIBILITY!** four sizes to suit any size gathering.

**EASY!** our kegs are North American industry standard, easy to use and trouble free.

**CONVENIENT!** we supply you with a keg pump/beer faucet. All you need are beer cups and a bucket of ice to keep your keg cool.

**FRESH!** give us at least 24 hours notice and we'll fill your keg right from our main beer tanks.

**QUALITY!** enjoy our national award-winning suds.

**COOL!** we'll keep your keg in our beer cellar so it will be nice and cold when you pick it up.

**POPULAR!** that's what you'll be when you tell everyone you're having a Bushwacker keg party!

**STYLE!** our refillable beer containers are available in two unique designs; glass and ornate glass/metal.

**FRESH IS BEST!** we fill your growler directly from our taps while you wait. What could be fresher?

**AVAILABILITY!** if it's a Bushwakker beer and it's on tap, we will fill your growler.

**EXTEND YOUR COOL!** wrap a bright orange Bushwakker neoprene beer suit around your glass growler to keep your fresh suds chilled for hours.
